How To Catch A Trolley

This vintage-style trolley is a quick and convenient way to get around Downtown Oklahoma City.

- When the vehicle approaches, check the overhead sign above the windshield to be sure you're boarding the right trolley.
- Passenger shelters and trolley stop signs are located along the routes. For your safety, drivers stop only at designated trolley stops.
- Use the map on the back of this brochure to locate designated stops on the Downtown route, popular destinations and parking options.
